History

LiftFund is a nonprofit, multi-state small business lender based in San Antonio that helps new and existing entrepreneurs successfully grow their businesses. We began lending in San Antonio in 1994 and later developed and implemented an innovative "blueprint" for establishing microlending and small business programs in new areas. We now lend in thirteen states: Alabama, Arkansas, Florida, Georgia, Kentucky, Louisiana, Mississippi, Missouri, New Mexico, Oklahoma, South Carolina, Tennessee and Texas. In 2007, we began providing underwriting and loan services to other lending institutions nationwide through our Microloan Management Services®.
