Fuel the Future of the American Economy

For over 30 years, LiftFund, a leading nonprofit community funder, has empowered **30,000 small business owners** with **\$1 billion in capital**, fueling dreams, creating jobs, and strengthening communities. Support small businesses, support your community. **Let's turn capital into community impact.**

Main Street Resilience & Recovery Fund

Fueling Rapid Recovery for Communities in Crisis

Deploy fast, flexible capital to help small businesses reopen and rebuild after disasters, natural or economic. Includes business continuity planning, emergency microloans, and local resource coordination to protect jobs and livelihoods when it matters most.

Entrepreneurship Pathways for Veterans & Service Members

Mission-Focused Capital for America's Heroes

Support transitioning service members and veterans in building businesses post-service. Includes low-interest startup capital, peer mentorship, and tailored coaching to turn military discipline into entrepreneurial success.

Workforce Launch Fund

Helping Workers Become Employers

Empower underemployed and displaced individuals (including parents, career-changers, and people with disabilities) to launch sustainable, income-generating businesses through access to startup capital, essential equipment, childcare, and transportation support.

Restart Business Accelerator

A Second Chance at Success Through Entrepreneurship

Support individuals with past legal or financial setbacks to restart their lives through business ownership. Provides clean-slate coaching, legal referrals, credit-building loans, and business mentoring in a structured accelerator environment.

Digital Transformation for Local Businesses

Modern Tools for Main Street Growth

Help local businesses go digital with training and subsidized access to software, e-commerce platforms, AI tools, and digital marketing. This initiative boosts sales, saves time, and future-proofs entrepreneurs against tech disruption.

Evergreen Loan Fund

One Fund, Endless Opportunity

A revolving loan fund where every dollar repaid is reinvested into another entrepreneur. This compounding-impact model provides long-term sustainability and scale, ideal for funders seeking lasting ROI from a single investment.

Rural Business Catalyst Program

Bringing Big Opportunities to Small Places

Bridge the digital divide by funding AI training for small business owners. Your support equips them with tools to modernize operations and thrive in a tech-driven economy.

Youth Venture Lab

Investing in Tomorrow's Entrepreneurs Today

Empower teens and young adults with startup capital, business training, and access to online marketplaces. Designed to cultivate leadership, innovation, and financial literacy at an early age through real-world experience.
